

Randolph AFB Optometry Services

The Randolph Optometry Clinic is located on the second floor of building 1040 (Medical Clinic) across from the dental clinic. We provide the following services:

1. **Routine Eye exams:** These appointments are booked through the CAMO line at (210) 916-9900. The Randolph Optometry Clinic sees all authorized beneficiaries; Active Duty, Retirees, and dependants.
2. **Contact lens updates:** These are also booked through the CAMO line. You must bring your contact lenses and the prescription with you to the appointment. The prescription may be in the form of; written by the doctor, the boxes the contacts came in, or the individual packages.
3. **Initial contact lens fits for Flying Status ONLY.** You can only be fit for contact lenses if you are on flying status (1042).
4. **Emergency care is not provided at Randolph.** If you have an eye injury, sudden loss of vision, sudden blurry vision or any other emergency, report immediately to the emergency room at either Wilford Hall Medical Center (Lackland) or Brook Army Medical Center (Fort Sam Houston).
5. **Glasses:** Glasses are ordered for Active Duty and retired service members on a walk-in basis.
6. **Gas mask and ballistic goggle inserts:** These are ordered for all Active Duty members who require them. We also order them for Civilian employees and Contractors who are being deployed by the DoD. Civilians will need to bring a fund site and billing code from their unit's logistics/supply custodians.
7. **Corneal Refractive Surgery Aircrew and Special Duty:** Fliers/Special Ops members must coordinate their pre and post-op care with RANDOLPH Flight Surgeons' Office and RANDOLPH Optometry. Aircrew members are NOT authorized to proceed to WHMC.
8. **Corneal Refractive Surgery for Warfighters (non-aircrew/non-special ops):** Pick-up required paperwork at the Randolph Optometry Clinic and then call WHMC Refractive Surgery Clinic directly at 292-2010.

If you have any questions, you may contact us at 652-5526 option 4.
